Subject: Fwd: Re: River Mile 10.9 Removal Tour Confirmed for September 9

Stephanie:
Is this something EPA will address or should the CPG?

Thanks

Rob

One night last week a barge was being pushed down river at about 7 pm. Rt 21N was bumper to bumper from Belleville to Newark, likely do to bridge closings.

Belleville

PS I am on vacation 9/9. I'll take a Raincheck.

Hi Everyone, we are confirmed for September 9.

A charter bus pick up CAG members at St. James Church at 4 p.m. and the Tour is scheduled to begin at 4:30 PM. If it is easier to meet us at Riverside Park, please be there at 4:30. The tour should last about 90 minutes and the bus get us back to the Church around 6:30-7:00 depending on traffic.

This is a great opportunity and we are hoping for a good turnout. Please RSVP so I can get a sense of how many folks will be attending and let me know if you have any questions.

thanks
Doug
